

## MEMORIAL FUND AND CAPITAL FUND

Gifts to the Memorial Fund in the name of, or by friends of the Church are used for special needs which enhance our worship services, excluding general maintenance projects. In all cases, these expenditures are approved in advance by the Church Committee. A Capital Fund was established to accept donations which are used to help maintain the pavilion and wharfs used by the community.

## DONATIONS AND TAX RECEIPTS

Receipts will be provided for all identifiable contributions to the Union Church and are tax deductible. Envelopes for weekly giving are available in the Church. Online credit card donations can be made through the church's website at [www.16islandunionchurch.ca](http://www.16islandunionchurch.ca).

## INVITED CLERGY

An invitation is extended to have your minister lead a Sunday worship service next summer. As planning is initiated in mid-April, you should inform any of the members of the church committee prior to that time if you would like to host your minister, preferably with a suggested date or dates when he/she would be available.

**SIXTEEN ISLAND LAKE UNION CHURCH** was conceived by a small group of devoted women, under the leadership of Mrs Tracy Ludington, who, realizing the necessity of Protestant witness in the community, banded together in July 1906 to establish the church. Mr Tracy Ludington provided the beautiful site and the pavilion which was built on it. For thirty-odd years the entire work, other than money contributions, was carried on by the women of the community, and generally the ministers who conducted the services were entertained over the week-end by the Ludingtons. Upon the death of Mr Ludington, a clause in his will vested to the Union Church in perpetuity, access to the pavilion for Sunday services, provided services are held there each year. Since Mrs Ludington's death some years later, a committee of men and women have been appointed yearly by the congregation, to maintain and preserve this lovely little sanctuary in the woods, as its founders would have them do. Let us all do our utmost to keep faith with those who have passed on, and help to build a strong Christian church upon the foundations they laid.

### CLOSING PRAYER

May the Lord, mighty Lord,  
Bless our church here, forever,  
Grant us peace, perfect grace,  
Courage in every endeavour.  
Lift our eyes to see his face,  
Feel his grace forever,  
May the Lord, mighty Lord  
Bless our church here forever.

## JULY AND AUGUST 2019 – Sundays at 10 am

The Sixteen Island Lake Union Church extends a warm welcome to our visiting clergy and sincerely appreciates their important contribution to our regular Sunday worship. We look forward to the ministry of our guests and the blessing and fellowship it brings to the lake summer community and guests.

The order of service may include an introduction, prayers including the Lord's Prayer, scripture and responsive readings, a children's story, a sermon, hymns, the benediction and our closing prayer.

We welcome all visitors to the Union Church and invite frequent return visits to join in the Sunday worship service.

Musical selections are offered via pre-recorded accompaniment but an organ is available and we welcome anyone who would like to play for the service. If you know anyone who could assist, please contact the President.

The flowers in the Church each Sunday are provided by a member of the community.

Please keep a copy of this calendar handy at home for easy reference.

**THE ANNUAL GENERAL MEETING** will take place immediately following the service on **Sunday, July 14 or 21**. Please consult our website for confirmed date. You are urged to include this important meeting in your schedule.

On behalf of the Union Church we welcome and encourage you to attend our services during July and August. Should you wish to celebrate a special occasion, such as a Baptism, Wedding or Memorial Service, please contact the President of the church committee. In this way, we are better able to assist with the necessary and appropriate arrangements.

## VISITING MINISTERS – 2019

**July 7 – Cindy Morneault** received her MDiv at the Toronto School of Theology in 1991 and has worked in the area of spiritual care ever since. She is currently Seniors' Advocate at the St Andrew's Presbyterian Homes Foundation Seniors Support Program, helping seniors stay as independent as possible by helping them to navigate the healthcare and social services system.

**July 14 – Jeffrey Mackie** is a student at Montreal Diocesan Theological College and has recently completed his Bachelor of Theology at McGill. He lives in Montreal with his wife Natasha Henderson (a visual artist) and their cat Buddy. Jeffrey himself is an internationally published and translated poet. Some recent work can be found in "The Poet's Quest for God". Jeffrey also likes to remain active through distance running, which forms an important part of his spiritual and physical discipline.

**July 21 – FAMILY SERVICE** For this special service the young people of the lake community, with a little help from a few dedicated adults, lead the morning worship service. A special liturgy, written by Mrs Elizabeth Nettles, will be used. This service promises, as always, to be very well attended and you are encouraged to share transportation as parking will be limited at the Church.

**July 28 – The Revd Jack Hyde** was born in Montreal in 1941. He married Kathie Kerr in 1963 and they have three sons and five grandchildren. Jack was ordained Priest in Ottawa in 1986. In 1994 Jack and Kathie immigrated to the States, where Jack served a series of appointments in Southwest Florida and South Carolina. They returned to Canada in 2010 when Jack became Priest-in-Charge of the Parish of the Lower Laurentians until his retirement in 2011. Jack and Kathie have owned a little cottage on Lapierre since 2005.

**August 4 – "MUSIC ON THE DOCK" 7 PM** Bring your flashlight, your battery-operated candles and especially, bring your voice to this all-music and eco-friendly event.

**August 11 – Simon Hartropp** was blessed to meet Jesus as a child through his neighbourhood Bible Club. Through school, university, family and work life their journey together has taken them to many places to meet a whole bunch of fascinating people.

Work life led them to Canada in 1992 with three children in tow — a fourth joined the nest in 1994. He rejoices that all his offspring are now adults pursuing their chosen careers. He was appointed a Lay Reader in 1996. It is his privilege to lead prayer and worship, to share Jesus messages for today overlaid on timeless bible-based truth, and to learn with others what it means to live for Jesus each day. A bonus is to exercise these privileges alongside performing arts such as singing, playing keyboard instruments or liturgically dancing (but not all at the same time!). His motto? Love, Joy, Peace and Hope in Believing.

**August 18 – EUCHARIST SERVICE – Bishop Mary Irwin**

**Gibson** is a committed, bilingual Montrealer who was ordained by Bishop Hollis in 1981. Mary's first visits to the Laurentians were as a young girl where her parents had friends in Weir. Later, as a Girl Guide and later still as a Guide Leader, she came to love visiting the Morin Heights. In 1991, she became rector of Holy Trinity Church in Sainte-Agathe-des-Monts, serving as Regional Dean and Archdeacon before moving to Kingston in 2009 to be the Dean at St George's Cathedral. She became the 12<sup>th</sup> Anglican Bishop of Montreal on St Michael and All Angels Day in 2015. Mary has been married to Mark since 1978 and they have two grown daughters.

**August 25 – Wendy Crooks** lives in Dunany and enjoys the visits of her three children, four grandchildren, and one great-grandchild. She works in the Finance Department of the Sir Wilfrid Laurier School Board in Rosemere, support to the schools and the school administration. She was commissioned by the Anglican Diocese of Montreal in 2009 to serve as a licensed Lay Reader. Family holds a most special place in her life. In her spare time she enjoys swimming, boating, golf, fishing, cycling, walking, reading and board games.
